Walter Niedermayr
Manincor
Neuer Weinkeller | Nuova Cantina | New Winery

German/Italian/English, 114 pages, 19.5 × 28 cm, 72 color illustrations, softcover
With a text by Martin Prinzhorn With an introduction by Michael Graf Goess-Enzenberg
Graphic design: Kurt Höretzeder – Büro für Grafische Gestaltung
Publication date: 2005

Walter Angonese, Silvia Boday and Rainer Köberl built the new, almost entirely subterranean production facility of the South Tyrolean winery Manicor. The facility ist based on the principle of *further construction*, the functional and also context-sensitive continuation of the already existing buildings. Walter Niedermayr's photographs are both precise and striking images of this monumental, invisible architecture.
