Texts by Peter Noever, Dagmar Sachsenhofer, Elisabeth Schmuttermeier, Angela Völker, Gudrun Wolfgruber

Graphic design: Maria Anna Friedl

Publication date: 2008

Anno O. alias Bertha Pappenheim, the first of Sigmund Freud's recorded “cases” to be treated with psychoanalytical discussion therapy, was not only a prominent Jewish women’s rights activist and protector of women in need, she was also known as a generous collector of lace and cast iron objects. A representative selection of these heterogeneous and yet linked objects which the collector both sold and donated to the MAK is shown here for the first time.

Published on the occasion of the exhibition “Lace and so on ... Bertha Pappenheim's Collections in the MAK” at the MAK Vienna, Ocotber 03, 2007 - March 16, 2008
