Andrea Witzmann
plötzlich ganz allein | suddenly all alone | soudain toute seule

German/English/French, 22 × 24.5 cm, numerous illustrations in color, softcover
Texts by Martin Prinzhorn, Ulrike Sladek
Graphic design: Gisela Scheubmayr, Andrea Witzmann
Publication date: 2004

suddenly all alone is a book by austrian photographer Andrea Witzmann. Programmatically, she begins with scenes of airplanes, images of movement, mobility and journeys, inner and outer, human scenes, replete with traces of human presence visible only seconds ago—and suddenly, in disquieting intensity, all alone with oneself.
