Schili-Byli
Russian Children's Books 1920-1940

Edited by Peter Noever, MAK Wien

German/English, 64 pages, 22.3 × 27.5 cm, numerous illustrations in color, softcover
Texts by Ilya Kabakov, Christian Reder, Natalia Stagl
Publication date: 2005

This catalogue introduces the Russian children’s book from the post-revolutionary and the Stalinist period until 1940. With an increasingly restrictive cultural policy those children’s books occupy a subversive niche. Lebedew, Majakowski, Mandelstam, El Lissitzky and others created distinguished pieces of constructivist and futuristic art.

Mit eingelegtem Reprint von Ossip Mandelstams "Die Küche", Moskau-Leningrad 1926
