After Kippenberger

Edited by mumok, Wien, Eva Meyer-Hermann, Susanne Neuburger

German/English, 128 pages, 24 × 18 cm, numerous illustrations in color, softcover
Texts by Diedrich Diederichsen, Lucy McKenzie, Martin Prinzhorn
Publication date: 2003

The catalogue book contains essays, which pave the way for a new understanding of Kippenberger's work for an audience from the generation after Kippenberger. The importance of this book is accentuated by the picture material from the artist's estate with many previously unpublished photographs from Kippenberger's life and work. It has been designed by Hans Weigand, a fellow artist and friend.
