Vivian Liska
Giorgio Agambens leerer Messianismus
Franz Kafka, Walter Benjamin, Hannah Arendt

German, 67 pages, 21 × 12 cm, softcover
Cover art work: Franz West
Graphic design: Albert Mayr
Publication date: 2008

Giorgio Agamben's political-theological ideas are a controversial as well as inescapable challange for the young generation of the messianic tradition (Hannah Arendt, Walter Benjamin, Jacques Derrida, Franz Kafka). The book puts emphasis on the legitimacy and persuasive power of his thesis in the context of his aesthetic, literary and cultural-theoretical writings.
